

Fort Wayne Turners

Board Meeting

May 3, 2011

In attendance: Ed Keller, Jan Hayward, Sabrina Teague, Vanessa Miller, Jeff Massucci, Tim Longardner, and Margaret Stephens.

General Membership Meeting notes were read. Jeff Massucci asked if the panic button has been moved to the bar area. It has not been moved yet and a discussion followed on the best places to locate the buttons.

Treasurer – Vanessa Miller – Stated that the bills are current and that the insurance has been paid. We will be getting a new color copier. There will be limited access to those that can use the color option.

Vanessa is also going to start electronic downloading into Quick Books.

1st Vice – Sabrina Teague – Nothing

2nd Vice – Jan Hayward – Handed out the June calendars. She stated that on August 20th, Joe Tarney will be having a softball tourney and there is also a wedding reception the same day. The reception was planned before Joe contacted her about the tournament. It is very, very important that the 2nd vice be made aware of annual events at the beginning of each year so that two events are not planned on the same day.

Secretary – Margaret Stephens – Passed out a message that will be in the next newsletter about the newsletter mailings. Anyone not contacting her by June 15th, will no longer receive a newsletter. The Board approved this message.

Financial Secretary – Jeff Massucci – Nothing

Bar Trustee – Tim Longardner – John Hayward will be the Saturday night bartender. He is also working to bring different events on Sat. nights to draw more members to the club.

President – Ed Keller – Stated that there was an issue with the factory making the Germanfest steins. We will still be getting one, but the clubs will be one of the last to receive them. He is going to check with Dave Wagner to see if he is still interested in painting the stein.

Vanessa Miller made a motion to adjourn at 7:10 pm, 2nd by Jan Hayward.
