

Turner Times

JULY 2010

PRESIDENTS MESSAGE:

The Prez Sez: It's been twenty years since I have put a president's letter into the Turner Times. I thank all those who voted for and against me. As you know there are no losers at Turners. Everyone who runs for office does so with the desire to make the club the best it can be. I hope all those that didn't finish first will run again next year. I want to congratulate the new officers. 1st VP **Sabrina Teague**, 2nd VP **Jan Hayward**, Treasurer **Vanessa Miller**, Financial Secretary **Jeff Massucci**, Secretary **Margaret Stephens** and Bar Trustee **Tim Longardner**. Also, new committee members. Entertainment – **Doug Teague** and Web Master – **Jim Keller**. We are still looking for a Culture Chairman, if anyone has an interest.

I want to thank all Turner & non Turner members who worked at the Germanfest this year. We can never do it without your help. From those that spend all day everyday down there to those that were able to only work one shift. You all are appreciated.

The Mark Fore Softball Tournament is coming up on July 16th, 17th & 18th. **Scooter Schmidt** mentioned that he is in need of some able bodies to help clean up trash after the games. If you can help, please call him.

We have old lockers in the men's bathroom and some of them are locked. We have no accounting of who uses them since I joined thirty one years ago. I would like all of you that have a locked locker to call me and let me know and I will keep a list. If I get no calls in July or August, the Maintenance Trustee and I will cut off the locks.

Also any one that has a key to the building and is not a current officer please let me know who you are and why you need a key.

Another problem we have is that when members move or change their phone number they will tell everyone but Turners. Even some of you old timers are guilty. Let **Joy Bodine** (Membership Chairman) know.

Out past president (**Mary Kay Keith**) has a committee to study the dues structure of our club. We keep losing members because of the economy. \$120 is a lot of money for a young family just for membership. Most clubs go under by raising dues. We would like to lower them; but that means that you would need to help find new members and come to the club and participate more. If you have any ideas please let the committee know. I'm sure I forgot something; but I have rambled on enough for my first issue and the rest will be shorter.
